Dear Zeus' Bounty,

Your kindness – expressed through your gift of \$7,102.76, received on 2/9/2022, was accepted in exchange for no goods or services. Thanks to your generosity, we are able to rescue, train and pair Service Dogs with veterans suffering from Post-Traumatic Stress Disorder (PTSD), Traumatic Brain Injury (TBI), and/or Military Sexual Trauma (MST).

Nearly 20 veterans commit suicide every day. These heroes return home feeling disconnected, unsafe, and unstable, tragically feeling like they have no other way forward. Backed by scientific research, Service Dogs are a proven method of alleviating the debilitating symptoms of PTSD – like suicidal ideation. Service Dogs not only get our veterans back on their feet, but they also help them regain a sense of confidence and independence in their lives.

With your support, we are able to provide the resources our Warriors need to take their first steps toward a life of renewed dignity. Since 2011, K9s For Warriors has paired more than 650 veterans with a Service Dog, and has rescued more than 1,300 dogs overall.

From all of us at K9s For Warriors, thank you for helping to restore hope and independence to veterans fighting the invisible wounds of war. We encourage you to follow us on social media, our website and through our newsletters to see how your generosity is impacting the lives of Warriors and K9s alike.

With gratitude,
